State Meeting Report

State: _____

There are 2 sessions dedicated to state planning. After listening to the presenters and participating in the exercises on Day 1, summarize your work so that you can easily express it to those that could not be here. Use this form/file to record your discussions, decisions and notes for follow-up. Give one copy to the Partnership before you leave. Thanks!

Follow-up to Session 1: It's All About Outcomes

- To what outcomes state outcome(s) does our work contribute?

- What are the tactical goals of the state Partnership?
 - *For each goal, what is the standard we want to reach?*
 - *For each goal, what indicators will show success?*
 - *For each goal, what strategies have we chosen?*

Follow-up to Session 2: Data Indicators and Partnership Strategies

Use the chart to identify exactly what you expect to happen through the Partnership that will have potential to impact the indicators.

1. Identify the appropriate IDEA Partners for each indicator
2. Discuss appropriate strategies and activities to support attainment of those indicators at the levels listed below
3. Be sure to include measurable, data-driven indicators of outcomes that can be communicated to the stakeholders.

SSP Indicators Targets/Gaps	State Level Partnership Activity and Expected Outcomes	Regional Level Partnership Activity and Expected Outcomes	Local Level Partnership Activity and Expected Outcomes

Reflection: Engaging the Whole Team?

Would most of the team back at home understand and agree with what we have done today?

What will we need to do when we go home?

Who will do it?

What is the timeline?

Reflection: Communicating Effectively with the SEA/Lead Agency

Would the SEA/Lead Agency leadership understand and appreciate the value of what we have done today?

What will we need to do when we go home to communicate the value of this Partnership?

Who will initiate it?

What is the timeline?

Reflection: Strategy Monitoring

What data do we have on our performance?

What data do we need to have?

How will we collect it?

Are there strategies that are especially successful and well understood? What data leads us to believe that?

Are there strategies that need attention and/or clarification? What data leads us to believe that?
